A SAD ENDING.

Two Young Men Fight in a Boat One is Drowned.

Memphis, Tenn., October 22.—Chas. Brown and Thomas Pike were two of a party of about fifty young pleasure seekers of both sexes who started to row up the river on a nutting expedition this morning. Brown and Pike were in a boat with the other boys and a copious quantity of whiskey. When a short distance above the city Brown and Pike engaged in a fight. They fell out of the boat. Pike was rescued but Brown was drowned. According to the statement of one of the other parties in the boat, Brown was knocked senseless with an oar before he fell in the river. Pike has so far avoided arrest.

GOLD IN EAST TENNESSEE.

The Yellow Metal Said to Have Been Discovered in Paying Quantities.

Gold has been discovered in paying quantities in East Tennessee, and is to be mined by a syndicate of Cincinnati capitalists, who after thoroughly prospecting have leased several thousand acres of land. The find is about thirty miles east of Athens and near the Great Smoky Mountains. The assays show that the ore is very rich. Machinery for use in the mine and a stamp mill have been bought, and operations will be commenced at once.

Deafness Cannot be Cured

by local applications as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars; free.

DIDN'T DO IT.

Flower Dentes Stopping the Mitchell-Corbett Fight.

New York, Oct. 22.—If Gov. Flower had a hand in stopping the Mitchell-Corbett fight at Coney Island, he will not say so.

He was seen in a corridor of the Hoffman house to-day and asked whether it was his intention to prevent the fight. He replied that such action on his part was unnecessary as the requisite action had already been taken by the authorities of Kings county and there was nothing for him to do. Governor Flower added that no complaint had been made to him by any body concerning the fight and that no charges had been made in this connection against Sheriff Courtney of Kings County.
